

REVACERN

**Religions And Values: Central And Eastern
European Research Network**

REVACERN

- FP6-2004-CITIZENS-5
- COORDINATION ACTIONS
- January 2007 – December 2009

Aims

- The aim of the REVACERN CA is to provide a framework for a multidisciplinary research on the future of relations between institutions, culture and politics in the field of values and religions.
- The network aims at a comparative perspective of legal, political, cultural aspects of religious institutions, their role in the society.

Research topics

- Mutual interaction between the roles of values in religious institutions and the society,
- Intersection of changing value system,
- Media and religion,
- National identity in multiethnic European subregions,
- The cohesion of the EU-enlargement versus nationalism, fundamentalism.

Challenges

- The network examines the challenges posed to educational, political and legal systems, and by mapping and restructuring the knowledge, its objective is to find better ways to handle conflicts and referring objectively for the EU, national policy makers and civil society institutions.
